

LIGHT
UP NEW LIFE

Size	
Weight	20Kg
Size	496×496×298 mm
Duct diamete	DN150

Basic parameters	
Item No	XFDD2-650-01J
Rated voltage	220V/50Hz
Static pressure	~120pa
Power	320W
Type	Ceiling type

Technical Parameters	
Rated air volume	650m ³ /h
CADR	650m ³ /h
Noise	≤55dB (A)
Critical element	Controller、negative ion module、hepa filter、AC centrifugal fan

Installation procedure:
Standard installation requires wall drilling, more installation methods and charging standards, see installation instructions and after-sales service policy
